

## Would you like to help families and individuals find ways to make the most of their money?

*Central Maine CA\$H Coalition, helping families and individuals achieve long-term financial stability, is looking for volunteers for the 2009 tax season.*

Central Maine CA\$H Tax Sites are “the gateway” to helping a household increase their income. Qualified filers can have their federal and state income taxes prepared and filed for free during tax season—avoiding high-priced income tax filing fees and Refund Anticipation Loans. Clients often learn about tax credits and rebates that they have never applied for before. For example, \$1 million from the Earned Income Tax Credit is left unclaimed in Kennebec & Somerset County every year. Help us return this money to our community! Thanks to our volunteers, clients also get connected to local resources that can help them manage their money, reduce debt and save for the future.

### So, how can you help?

We have several opportunities to volunteer, including:

**Tax Preparers:** Enjoy working with numbers and computers? Get trained by the IRS for free.

**Coaches:** Are you a good listener? Check-in clients and get them connected to local programs.

**Greeters:** Like to meet people? Welcome clients to the tax site.

**Outreach:** Help raise awareness about free tax preparation!

To volunteer, all you need is a commitment to volunteer for at least five shifts between

January 27 through March 17, 2010. No experience is necessary and all training is provided (and required). Volunteer shifts are on (8) Wednesday evenings from 5-8 p.m. and (2) Saturdays from 9 a.m.–2 p.m.

**For more information or to volunteer, contact Debra at 873-0686 or email [debra@unitedwaymidme.org](mailto:debra@unitedwaymidme.org).**
